

### Main

Device short name	MX
Product or component type	Voltage release
Device application	Control
Range compatibility	Masterpact NW Masterpact NT
Voltage release type	Shunt trip release
[Uc] control circuit voltage	100...130 V DC 100...130 V AC

### Complementary

Supply holding power	4.5 VA
Mounting mode	Fixed
Response time	50 ms

### Contractual warranty

Warranty period	18 months
